***Sensational Introductions for 1939***

**"ROULETTE"**

*ROULETTE (Johnson) S. C. Beautiful artistic formed blooms of 8" to 10" in size of clear lavender pink with a white center. Long strong stems, well proportioned with foliage. A clean strong growing plant. Winner of the "American Home" achievement medal at Burholme, Pa. show. Surely this dahlia should be in your garden as it will give you many fine exhibition blooms.*

**Root \$10.00 net**

**Plant \$5.00**

~~~~~

GREETINGS.—It is a pleasure to present you this folder containing in my belief the best in up-to-date dahlias. Most any variety will win for you at our best shows or attract much attention in your garden.

Many thanks to everyone of you who have advised me personally or sent fine letters stating that my previous introductions are really great exhibition dahlias. I feel confident that my new dahlias, "Jean Johnston" and "Roulette" will make just as impressive record. While my new dahlias won achievement medals this past season the real enjoyment comes when I learn of your winnings.

Although the foreign dahlias are briefly described they are first class exhibition varieties. The new pompons and miniatures are truly outstanding.

STOCK.—Every root or plant will reach you in good growing condition, beyond this no warranty is expressed or implied. Not responsible for roots secured before April 1st. Considering high quality my prices give you more for your money.

## Introducing for 1939

“JEAN JOHNSTON”

*JEAN JOHNSTON (Johnson) I. C.*  
*A giant cactus of golden buff with a rose suffusion. Each bloom consists of many petals which incurve and interlace making up very full flowers. Very unique formation. Sturdy plant of rich green foliage. The flowers are supported by long stems but some may tilt. Won the “American Home” achievement medal at the Camden, N. J. show. It is said that this seedling class was the finest ever seen.*

**Root \$10.00 net    Plant \$5.00**

## My Previous Introductions

|                                                                                                                               | Root | Plant |
